Rock n Roll, Hoochie Coo.

couldn't stop moving when it first took hold
it was a warm spring night at the old town hall
there was a group called the jokers they were layin it
down
doncha know I'm never gonna lose that funky sound

Rock n roll hoochie coo
rock n roll hoochie coo
Lordy mama, light my fuse
light my fuse
Rock n roll hoochie coo
rock n roll hoochie coo
drop on out and spread the news

skeeters start a buzzin bout this time a year
I'm goin round back said she'd meet me there
we were rollin in (up?) the grass grows behind the barn
when my ears started ringin like a fire alarm

(chorus)

(spoken) did somebody say keep on rockin?

(guitar solo)

I hope you all know what I'm talkin about
the way they wiggle that thing really knocks me out
gettin high all the time, hope you all are too
come on little pussy gonna do it to you

(chorus) x 2

that i'm tired of payin dues
rock n roll hoochie coo
done said goodbye to all my blues
rock n roll hoochie coo
lordy mama, light my fuse
(aaoww!)
