they used to call me lollipop,  
they called me munchkin boy,  
they thought i was a worthless bitch,  
they played me like a toy.  
Caaaaaandy man, wait and you will see,  
Caaaaaandy man, someday you will be,  
Caaaaaandy man, the king at 3 foot 3,  
Caaaaaandy man, that's what they'll call me.  
they used to laugh and point at me,  
they said i'd never score,  
the only way i might get some,  
is if i paid a whore.  
at last i've found my lost soulmate,  
no need to wank or masturbate,  
to some you are the DPW,  
to me you're just a thing to screw.

but now i've grown to half an inch,  
and i got taller too,  
i whipped it out before my bitch,  
and then she left me blue.  
Caaaaaandy man, wait and you will see,  
Caaaaaandy man, someday you will be,  
Caaaaaandy man, the king at 3 foot 3,  
Caaaaaandy man, that's what they'll call me.  
Linux has always been my life,  
i've tried to compile me a wife,  
but now i realize my rightful place,  
to rule over the munchkin race.  
a tornado rips across the plain,  
somewhere over the rainbow i came,  
i gave the lollipop guild a call,  
fuck you guys, i'll rule you all.  
Caaaaaandy man, look what you've become,  
Caaaaaandy man, no bigger than my thumb,  
Caaaaaandy man, and your body's small as well,  
Caaaaaandy man, i hope you burn in hell.
