Mr. Sun came out and he smiled at me.
Said it's gonna be a good one just wait and see!
Jumped out of bed and I ran outside I feel so extra
exstatisfied!

It's the Best day ever! (Best day ever)
It's the Best day ever! (Best day ever)

I'm so busy got nothing to do
spent the last two hours just tying my shoe.
Every flower every grain of sand, is reaching out to
shake my hand.

It's the Best day ever! (Best day ever)
It's the Best day ever! (Best day ever)

Sometimes the little things start closing in on me,
when I'm feeling down I wanna lose that frown
I stick my head out the window and look around.
Those clouds don't scare me they can't disguise,
this magic that's happening right before my eyes.
Soon Mr. Moon will be shining bright so the
best day ever will last all night.
Yes the Best day ever's gonna last all night now.

It's the Best day ever! (Best day ever)
It's the Best day ever (Best day ever)
It's the Best day ever! (Best day ever)
It's the Best day ever (Best day ever)
(Best day ever)
(Best day...)
