All right, you invertebrates
I'm gonna teach you how to do the sponge

Well, if you take your leg
And stick it in the air
And then you take the other one
And stick it right up there
You twist yourself around
And give a great big lunge
Now you're doin' the sponge

Uh, do the sponge, sponge
Uh, do the sponge

Bet you're buns you're doin' the sponge

Well, now, first you take your leg
And you stick it in the air
And then you take the other one
And you jam it right up there
You twist yourself around
And you give a great big lunge

Now you're doin', yeah
Now you're doin' the sponge

All right now, yeah
Do the sponge, sponge
Do the sponge

Before you know you're taking the plunge

I said the sponge, sponge
Do the sponge

Bet your buns you're doin' the sponge
Yeah, bet your buns you're doin' the sponge

Oh yeah, well, you're doin' the sponge

I said the sponge, sponge
Do the sponge

Yeah, do the sponge, sponge
Well, do the sponge

Do the spon spon spon spon ugh
Do the sponge
Yeah, do the sponge

Do the spon spon spon sponge
Yeah, do the sponge
