Oh baby, they may call me a fool
But I can't help our gravitational pull
When I stuff you with cotton candy, it reminds me
you're so sweet
When we go ridin', it's dandy, the way you hang on to
the seat

Baby!

When I'm with you, our love is stronger than glue
Woah! Oh, baby!
There isn't anything, there's nothing in the world, I
wouldn't do for you

Hey! Let go of her you patty eaters! No! Get away!

Hi YA! Hi YA! Woah!
Hi YA! Hi Ya! WA PA! Yaba Yaba!
Hi Ya Ya Ya! Hi Ya Ya Ya Ya!

Patty! Are you okay, sweetums? I'm so sorry!
I'll never let you out of my sight again
And I'll always keep you out of harm's way

Ooh baby
Our love is so strong
That's why I'm singing this song

Baby!

Your looks are sweeter than honey
From your pickles to your buns
It ain't even funny

EE WOAHH

I'm coming for you
Oh no
Look at you
Don't worry, Patty
I'll take care of this
There you go

All better

Oh baby
