So, what're we gonna sing about, SpongeBuck?  
We're gonna sing about friends  
What kinda friends, SpongeBuck?  
Well, listen up and I'll tell ya

Who's there for you when you are sad and down?  
Hey  
Idiot friends  
Who picks you up and smacks you all around  
Idiot friends  
Who puts thorns in you so you can save the town  
Idiot friends, idiot freinds, idiot friends  
Duh duh duh duh do duh do duh do  
Idiot friends  
Duh de duh duh do duh duh duh  
Idiot friends  
Deh duh duh do do da doh

Y'know SpongeBuck, all we've been a doin' is singin'  
about what I've done for you  
Well what've you done for me?

Heh heh heh

Who helps you pick your pants up off the ground

Thanks buddy

Curses

Only and idiot friend would do that  
Let's bring it home, idiot friend  
OK

Who let's you ride on his coffin?  
Who slaps you hard and often?  
What do you and me have in common?  
We're idiot friends

(cheering and applauding from the crowd)

Thank you, thank you very much
