Here's our jingle for Goldfish
-- We wrote a song for Goldfish

The wholesome snack that smiles back
until you bite their heads off!

See the fishes swimming..
Oh, look the pretzels winning.

Here's our Jingle for Goldfish
Crunchy little Goldfish

Oh good we're at the --- part
Where we show that they're baked and not fried

Did you know they're made
with real cheese
Even though they look like fishies

The snack that smiles back Goldfish

(next versions)
this is the jingle for gold fish
yes baked but not fried gold fish

the little snack that smile back until you bite their heads
off
did you know there made with real cheese even though
the look like fishies.

the snack that smiles back gold fish.

now don't adjust your tv
new gold fish come in colors

they're still backed with real cheddar
and they've never looked much better

of course their baked and not fried
you haven't lived till you've tried

the snack that smiles back gold fish
