Hello my dear friends!

Well, here I am on record at last,

And it feels so wonderful to be here with you on my
first album...

I'm so happy, ha-ha! Happy and lucky me

I just got my way, living every day

I don't worry, worrying don't agree

Things that bother you, never bother me

Things that bother you never bother me

I feel happy and fine, ha-ha!

Living in the sunlight, loving in the moonlight,

Having a wonderful time!

Haven't got a lot, I don't need a lot

Coffee's only a dime!

Living in the sunlight, loving in the moonlight,

Having a wonderful time!

Just take it from me I'm just as free as any daughter,

I do what I like, just when I like, and how I love it!

I'm right here to stay, when I'm old and grey

I'll be right in my prime,

Living in the sunlight, loving in the moonlight,

Having a wonderful time!

(Hums tune)

Just take it from me I'm just as free as any daughter,

I do what I like, just when I like, and how I love it!

Oh-ho-ho!

I'm right here to stay, when I'm old and grey

I'll be right in my prime

Living in the sunlight, loving in the moonlight,

Having a wonderful time!

Oooh! Isn't this a lovely band.
And what a thrill it is to have them play for me!
