Wanna learn how to tie your shoes
Its a very easy thing to do
Sit on down and I'll give you the scoop
What's that? it's called a loop de loop
You gatta take a lace in each hand
You go over and under again
You make a loop de loop and pull
And your shoes are lookin cool
You go over and back
Left to right
Loop DE Loop
And ya pull em tight
Like bunny ears
Or a christmas bow
Lace em up
And ur ready to go!
You make a loop de loop
And pull! and your shoes are lookin cool
