Now That Were Men  
We Can Do Anything  
Now That Were Men  
We are Invincible  
Now That Were Men  
We Go to Shell City  
Get the crown, save the town and Mr Krabs  
Now That Were Men  
We Have Facial Hair  
Now That Were Men  
I Changed my Underwear  
Now That were Men  
We got a manly Flair  
We got the stuff, Were tough enough to save the day  
We never had a chance when we were kids NO NO NO  
But take a look at what the mermaid did HA HA HA  
(Spongebob and Patrick do slapy)

HOORAY  
Now That their men  
We can't bother them  
Now that their men  
They have become our friends  
Now that their men  
It be a happy end  
They passed the test and finished the quest for the crown  
They passed the test  
And finished the Quest  
They passed the test and finished the quest for the crown
