

## **Spongebob Squarepants "The Sponge Who Could Fly"**

Visit "[The Sponge Who Could Fly](#)" on MotoLyrics.com

Spongebob: If only I can join you there in the air  
Floating free without a care  
I wish I could fly and see things with a different eye  
I would fly  
So very high  
And touch the sky  
And never have to ask why  
It is that I can't fly  
lands face first into the ground  
(Spoken: Wait a minute, I'm forgetting the words of  
Grandpa Squarepants  
"If we were meant to fly, we would have propellers on  
our heads or jet engines on our backs"  
I'll take his advice by gum, I'll invent a flying machine!)

Spongebob: (Spoken: I'm flying I'm flying)  
People: He's flying he's flying he's really really flying  
Spongebob: They laughed they scoffed before I had  
liftoff  
People: But now he's flying flying high in the sky  
Spongebob: I'd love to hang around to say "I told you  
so"  
But it's off to jellyfish fields I go....  
Roads and streets are not for me  
Mrs. Puff: Help please help  
My snail is up a tree  
(Tempo slows down: I've had her since I was a little girl  
Sobs  
But now it looks like the end of her world)  
branch breaks No!!!!  
Spongebob flies in and catches the snail  
(Spoken: Gotcha! Next time try the elevator  
Mrs. Puff: Thanks bird man!!!)  
Spongebob: I have never felt so free  
High in the sky is the place for me  
Helping friends from up above  
These are the things that love  
I'll help Mr. Krabs reclaim his dime  
Mr. Krabs: (Spoken: I'm rich!)  
And I'll save Patrick from this mime  
Patrick: (Spoken: Thanks buddy!)  
Even Plankton needs some help

When he gets tangled in the trilled: ke-e-el-el-ell-elll-  
ellllp

Plankton: (Spoken: Please put me down.)

soft tune Spongebob: You don't need a plane to fly

Plastic wings may make you cry

Kites are made for windy days

Lawn chair with balloons fly away

Inflatable pants you may as well trilled: skip

If you want to fly all you need

(Spoken: Is friendship

Yeah

Good-bye jellies

You taught me a valuable lesson

Though I'm not quite sure what it was

Patrick: Hey lets fly down to the pizza house and get a  
slice

Spongebob: No more flying for me Patrick

I'll leave that to the jellyfish

Patrick: Suit yourself flys away

Spongebob: Did Patrick just giggles nah)

peeks out of the door
