When I ripped in my pants,
I thought i had everybody by my side,
But I went and blew it all sky high,
And now she wont even spare a passing glance
All just because i ripped my pants

(Singing)

When big Larry came around to put him down
Spongebob turned into a clown
And no girl ever wants to dance
With a fool who went and ripped his pants

I no I shouldnt mope around I shouldnt curse
But the pain feels so much worse
But windin up with no one is a lot less fun then a burn
from the sun
or sand buns

Now I learned a lesson I wont soon forget
Listen and you wont regret
Be true to urself dont miss your chance
and you wont end up like fool who ripped his pants
