Announcer (on the radio): You got it tuned to K-O-L-D. K-OLD, your oldies station. Here's something you might remember from the good old days.

You're old. (You're old)  
Groaning like a geyzer,  
Feel yourself a-cracklin'  
Like an old hasbund,  
Look at yourself, old man, you've got multiple chins  
'Cause you're old.  
(Parts only on the yellow album) (Instrumental break)  
You're old. (You're old)  
A wheezing de-craka whimbag,  
Fairly, once, and mostly,  
You've got jelly rolls.  
Buddy, you're as ancient as the Dead Sea Scrolls.  
Man, you're old.  
(You're old)  
You're old.
