e din sa her, zemer me ke vra
E ke dit ku jam, e s'ke ardh me m'pa
A e din sa her me ke len pa gjum
kush ta ka mush menjen, mos me ardh tek un

Mos me harro
hajde foli zemres
qe ende te do

a e din sa here te fala tkam dergu
(te fala - is like when you tell someone to say hi to someone else or like a greeting to them)
did you not want to come , or did they not tell you (the greeting she sent)
Do you know how many times you've left me sleepless
Who convinced you not to come to me

Mos me harro
hajde foli zemres
qe ende te do
