You gave me the answer to love eternally
I love you and you, you seem to like me

Wherever we wander the local folk agree
I love you and you, you seem to like me

Heading back to old familiar places
Places where the cobwebs blow away

I can forget the airs and graces terpsichory
You'll never be crowned by the aristocracy

To their delight, you'd merely invite
Them in for a cup of tea and I love you and you

You seem to like you seem to like
You seem to like me
