

Darkness, The "Christmas Time"

Feigning joy and surprise
at the gifts we despise over Mulled wine
With you.

On the 25th day,
Of the 12th month the sleigh bells of intro, Ring true
How we cling each noel
to that snowflake hope in hell
that it would end!

Don't let the bells end
Christmas time
Just let them ring in peace. When the weather is cruel
And the season of Yule warms the heart
But it still hurts
You've got your career
Spend the best part of life stood apart and it still hurts

So that's why I pray each and every Christmas day,
That it would end

Don't let the bells end
Christmas time
Just let them ring in peace

(Christmas time)
(Don't let the bells end)
(Christmas time)
(Don't let the bells end)

I'm stood beneath the mistletoe leaf
And you're not here
If you're still away boxing day
So how the hell am I going to make it until the New
Years

Christmas time
Don't let the bells end (Don't let it end)
Christmas time
Don't let the bells end
Christmas time

Don't let the bells end
Christmas time
Don't let the bells end (just let them ring in peace)
Christmas time (c'mon kids)
Don't let the bells end (bells end)

Christmas time (ARGH!)
Don't let the bells end
