All I wanna do is spend a little time with you,  
But your so young its obscene,  
I'll just keep biding my time until you put your little  
hand in mine,  
Oh i can't wait for the day when you finally turn 16,

There are so many rats on a sinking ship,  
There's so much of you, I can't wait,  
To get to grips, when your halo slips, Oooh!

How dare you call this love,  
Ooh thats what the say,  
Say that you gotta fight!  
How dare you call this love,  
What a final place for all that is good and is right,  
yeeah!

You've got it all and your always my first port of call,  
This is the happiest i've ever been,  
And i know i should wait,  
But your laying it all out on a plate,  
And i'm just a pawn for nature and what is to be,

There are so many rats on a sinking ship,  
There's so much of you, I can't wait,  
To get to grips, when your halo slips, Oooh!

How dare you call this love,  
Ooh thats what the say,  
Say that you gotta fight! Ow!  
How dare you call this love,  
What a finally place for all that is good and is right,  
yeeah!

Ga-ga-ow!

How dare you call this love,  
Ooh thats what the say,  
Say that you gotta fight!  
How dare you call this love,  
What a finally place for all that is good and is right,

yeeah!

How dare you call this love,  
Ooh thats what the say,  
Say that you gotta fight!  
How dare you call this love,  
What a finally place for all that is good and is right,  
yeeeeeeaaaah!
