yow!
going steady, in a secluded spot
i'm leaving nothing to chance
'cos the pant is heavy, and the temperatures hot
i make it come in advance

making out
its getting better and better
making out
the back seats gettin wetter
making out
i think i'll take off my sweater
making out
get me a book of french, my child(?)

g-g-get ready, cos ready or not
i am adopting the stance
and the pant is heavy, girl i like what you got
why dont you ever stop to dance

making out
its getting better and better
making out
the back seats gettin wetter
making out
i think i'll take off my sweater, oooh
making out
get me a book of french

Kiss

(solo)

I've never had a torch shine as bright as the one i carry
for you
girl your feelings bad but you know i'm going to see
this
woo, i'm gonna see this thing through
mama mama mama making out with you

making out

its getting better and better
making out
the back seats gettin wetter
making out
i think i'll take off my sweater, oooh
making out
give me a book of french

thats all, mama mama
mama, its getting better and better
technical
cant take my eyes off you sweater
give me more
the back seats gettin wetter
aaaah
making out
