Physical Sex

Many miles between you and me
and love is guaranteed to fail
Cos a fuck should be multi sensory
And you just cant smell an email

Phone sex cyber sex aint all that
I prefer to take my sex in its original format
So you know what you can do with that mousemat

Physical Sex
(with a touchy feely woman)

Physical Sex

well i need to turn my horse around
But babys got the painters in
S-s-s-sporting a hat of the finest brown,
colour of the garden of Eden
Honey I always have enough, cos I feel
You give me just enough to make it really, really, really,
real
Its somewhere to put my beer
