

## Darkness, The "Street Spirit"

Visit "[Street Spirit](#)" on [MotoLyrics.com](https://MotoLyrics.com)

(Note: I am well aware that this is a Radiohead song,  
but The Darkness did a cover.)

Rows of houses, all bearing down on me  
I can feel their blue hands touching me  
All these things into position  
All these things will one day take control  
fade out again, fade out again

Cracked eggs, dead birds  
Scream as they fight for life  
I can feel death, can see its beady eyes  
All these things into position  
All these things will one day take control  
fade out again, fade out again

fade out again, fade out again
