I get up (He gets up)
To see you wallow in defeat
I get down (He gets down)
With almost everybody I meet...

Except you
And I fail to see why I should care
That you
Have had
Thirty-six years of pain
To Share.....

I do what I do, what I do
For you
You've got The Best of Me
Oh, I do what I do
For you
You've got The Best of Me
Yeah!

I get up (He gets up)
To see you look impetuously
I get down (He gets down)
To watch you fail spectacularly

Oh Boy
And I fail to see why I should care
That you
Have had
Thirty-Seven years of pain
To share....

I do what I do, what I do
For you
You've got The Best of Me
Oh I do what I do
For you
You've got The Best of Me-eeee-heee

Do what I do, what I do
For You

You've got The Best of Me
Oh
Do what I do
For you
You've got The Best of Me
Mother Mother
YEAH!
