[Björn:]

How can I just let you walk away?
Just let you leave without a trace?
When I stand here taking every breath
With you, oooh
You're the only one
Who really knew me at all

[Sibel:]

Now I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why
You're the only one
Who really knew me at all

[Both:]

So take a look at me now
There's just an empty space
And there's nothing left here to remind me
Just the memory of your face
Now, take a look at me now

[Björn:]

There just an empty space

[Sibel:]

Empty space

[Both:]

But to wait for you is all I can do
And that's what I've got to face

[Björn:]

All I've got to use

[Sibel:]

Oohooh, yeeah
