Ooh, ooh...

Mmmmm...

I will not make
The same mistakes that you did
I will not let myself
'Cause my heart so much misery
I will not break the way you did
You fell so hard

I've learned the hard way
To never let it get that far

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side
So I don't get hurt

Because of you
I find the love to trust
Not only me, but everyone around me
Because of you
I am afraid

I lose my way
And it's not too long before you point it out
I cannot cry
Because I know that's weakness in your eyes
I'm forced to fake a smile, a laugh
Every day of my life

My heart can't possibly break
When it wasn't even whole to start with, yeah

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side
So I don't get hurt

Because of you
I find the love to trust
Not only me, but everyone around me
Because of you
I am afraid

I watched you die
I heard you cry
Every night in your sleep
I was so young
You should have known better than to lean on me
You never thought of anyone else
You just saw your pain

And now I cry
In the middle of the night
For the same damn thing

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side
So I don't get hurt

Because of you
I tried my hardest just to forget everything
Because of you
I don't know how to let anyone else in, yeah

Because of you
I'm ashamed of my life because it's empty
Because of you
I am afraid

Because of you, ooooh...
Because of you, ooh...
