Never made it as a wise man  
I couldn't cut it as a poor man stealin'  
Tired of livin' like a blind man  
I'm sick of sight without a sense of feelin'

And this is how you remind me  
This is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you to say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breakin'  
And I've been wrong, I've been down  
Been to the bottom of every bottle  
These five words in my head  
Scream "Are we having fun yet?"

Yeah, yeah, yeah  
No, no  
Yeah, yeah, yeah  
No

Never made it as a wise man  
I couldn't cut it as a poor man stealin'  
And this is how you remind me  
This is how you remind me

This is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you to say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breakin'  
And I've been wrong, I've been down  
been to the bottom of every bottle  
These five words in my head  
Scream "Are we having fun yet?"
