I'm losing affection for love  
Nobody sees it like I do  
Yeah, I may have some old fashion views  
But that's the only way  
I got to know, from the second I feel it  
It's gotta be real  
Don't wanna make the same mistakes

So tell me  
Where do I go wrong, should I pray for a miracle  
I'm patiently in line but it feels impossible  
And all I see, is make believe  
I hear those words within a song but for me it's just  
lyrical  
Watch it in a movie but all I see on my TV screen  
Is make believe

When I'm watching the old black and whites  
I float to a place I'd rather be  
Where I can't find love at first sight  
It's not reality  
Feeling the force, of time-pressure rising  
It's gotta be real, cause I won't fall in another Love

So tell me  
Where do I go wrong, should I pray for a miracle  
I'm patiently in line but it feels impossible  
And all I see, is make believe  
I hear those words within a song but for me it's just  
lyrical  
Watch it in a movie but all I see on my TV screen  
Is make believe

Yeah I wanna be, moved by something real  
Cause I don't wanna stay  
This solitary girl  
I wanna be lost, in love, that's enough  
That's enough for me

I hear those words within a song but for me it's just  
lyrical

Watch it in a movie but all I see on my TV screen  
Is make believe

So tell me  
Where do I go wrong, should I pray for a miracle  
I'm patiently in line but it feels impossible  
And all I see, is make believe  
I hear those words within a song but for me it's just  
lyrical  
Watch it in a movie but all I see on my TV screen  
Is make believe
