I'm taking this one step at a time
I'm letting go a little more everyday
But moving on doesn't feel right
I still think about you every single night
I guess I gotta give it for you a little more time

But maybe we'll love again someday
Maybe we'll learn from our selfs and our stupid
mistakes
Maybe theres hope even though
It looks like the end
Maybe someday
Maybe someday we'll love again

I wonder how long it's gonna take
Until I feel OK on my own
It's not just about forgetting you
It's knowing that my dreams are comming true
At least not
At least not any time soon
Yeaaay

But maybe we'll love again someday
Maybe we'll learn from our selfs and our stupid
mistakes
Maybe theres hope even though
It looks like the end
Maybe someday
Maybe someday we'll love again

I'm getting tired of broken over my shoulder
Everytime I hear your name
I'm sick of telling myself it's over
Cause it's just not feel that way

Maybe we'll love again someday
Maybe we'll learn from our selfs and our stupid
mistakes
Maybe theres hope even though
It looks like the end
Maybe someday

Maybe someday
Oooohh
Maybe someday we'll love again
Oooohh
Maybe someday
Oooohh
