So close, no matter how far
Couldn't be much more from the heart
Forever trusting who you are
And nothing else matters

Never opened myself this way
Life is ours, we do it our way
All these words I don't just say
And nothing else matters

Never cared for what they do
Never cared for what they say
But I know

Yeaaaaah

So close no matter how far
Couldn't be much more from the heart
Forever trust in who we are
And nothing else matters
