You see me lookin', but I am keepin' it cool
I'm actin' laid back, like I got nothin' to do
And if your roommate ain't home then we can have a
little party
Let everything go, cause you're a boy and I'm a girl
Put my favourite song on and on
And do me right I can do you wrong

[Hook:]

Wake wake wake up
I've been sending hints all night,
Why can't you just get it right?
Wake wake wake wake up
You're just talkin' way too much,
I already had enough
Cause there's no point to play this game all by myself
now
If you're about to make a move then make it right now
Wake wake wake up

Wake wake wake wake up
I've been sending hints all night,
Why can't you just get it right?

You need a minute, to figure out what to do
Don't wanna push it, but I'll be leavin' here soon, oh
And if your roommate ain't home then we can have a
little party
Let everything go, cause you're a boy and I'm a girl
Put my favourite song on and on
And do me right I can do you wrong

[Hook:]

Wake wake wake up

Wake wake wake up
I've been sending hints all night,
Why can't you just get it right?
Wake wake wake wake up
You're just talkin' way too much,
I already had enough
Cause there's no point to play this game all by myself
now
If you're about to make a move then make it right now

I've been sending hints all night, Why can't you just get it right?

Oh oh oh, oh oh oh, Cause there's no point to play this game all by myself now If you're about to make a move then make it right now

[Hook:]

Wake wake wake up
I've been sending hints all night,
Why can't you just get it right?
Wake wake wake wake up
You're just talkin' way too much,
I already had enough
Cause there's no point to play this game all by myself now
If you're about to make a move then make it right now
Wake wake wake wake up
I've been sending hints all night,
Why can't you just get it right?
