Rock rock it, we rock, rock, rock, rock it,
Rock rock it, we rock, rock, rock, rock it,
Rock rock it, we rock, rock, rock rock it,
Rock rock it, we rock, rock, rock, rock it!

Get it right, time to shine,
gotta step up, cause its our night,
gotta cheers, cause we're here,
starting a new page with no more fears!

Yeah!!

We can make the change, its our generation!
Nothing's in our way, its our generation!
You gotta start with you, and nobody else,
You gotta raise your voice, say what you feel,
time is in our hands, its our generation!

Rock rock it, we rock, rock, rock, rock it,
Rock rock it, we rock, rock, rock, rock it,
Rock rock it, we rock, rock, rock rock it,
Rock rock it, we rock, rock, rock, rock it!

Share the loud, through the crowd,
together we got this, right here, right now,
cause it's our, on your own,
we found a connection, and that feels like home!

Yeah!!

We can make the change, its our generation!
Nothing's in our way, its our generation!
You gotta start with you, and nobody else,
You gotta raise your voice, say what you feel,
time is in our hands, its our generation!

Woah...

It's our generation!

We can make the change, its our generation!

Nothing's in our way, its our generation!

You gotta start with you, and nobody else,
You gotta raise your voice, say what you feel,
time is in our hands, its our generation!

We can make the change, its our generation!

Nothing's in our way, its our generation!

You gotta start with yea, and nobody else,
You gotta raise your voice, say what you feel,
time is in our hands, its our generation!

Woah...

It's our generation!
