Crashed into the ground in a blink of an eye
You hit me by surprise no way to deny
Down I'm broken into the open

Memories of you are like a stain in my heart
Had to rearrange to get out of the dark
Waited too long I've got to move on without you

I'm walking away from heartache
Ready to face a new day
And i won't cry another tear (moving on without you).
I'm walking away from heartache
And leaving the pain behind me
No i won't waste another tear.

Never thought that you'd be the one to leave
Guess you had some reasons that I couldn't see
No need to wonder now I'm stronger.

Life is passing by and I realise
Living on my own no compromise.
Waited too long I've got to move on without you

I'm walking away from heartache
Ready to face a new day
And i won't cry another tear (moving on without you).
I'm walking away from heartache
And leaving the pain behind me
No i won't waste another tear on you
No no no no.

I'll spread my wings and learn to fly
I'll reach into the open sky
And i know there's a brand new tomorrow.

I'm walking away from heartache

Ready to face a new day
And i won't cry another tear.
I'm walking away
I'm walking away from heartache
Ready to face a new day yeah yeah
And i won't cry another tear I'm moving on without you.
I'm walking away from heartache
And leaving the pain behind me
No i won't waste another tear no no no.
Cause I'm stronger (cause I'm stronger)
Moving without you (and I'm moving)
Living my life once again (living without you)
(Yes I'm stronger now baby moving without you)
I'm stronger (walking away) from the pain
(Cause I'm stronger now)
I'm walking away from heartache yeah
I'm walking away no I won't cry another tear
I'm walking away
