[Orange Chorus: Desdamona]

My favorite color is orange cause I like what he do to
me

My favorite lover is orange cause he tastes so sweet
My favorite flavor is orange, he's my favorite treet
My favorite brother is orange cause he likes my peach

[Desdamona]

First time I saw him, I was wrapped in my own words
He came close to me, said he knew I was no regular
girl

He could see I was intrigued he used his words to
entice me

It was easy to capture me with all the senses he
confided in me

[Orange Chorus]

{*instrumental breakdown*}

[Desdamona]

Like a storm in the night, he came in wet, before I could
open my eyes

He showed me everything and then he ran to hide
Wasn't long that orange he started to lose his
tangerine hues

His brightness how it turned so quick, now I'm in love
with blue

[Blue Chorus: Desdamona]

My favorite color is blue cause I like what he do to me
My favorite lover is blue, midnight between my sheets
My favorite flavor is blue, he's my blueberry treet
My favorite brother is blues cause he likes my... OOOH

[Desdamona: repeat 6X]

He likes my... OOOH

[Desdamona: repeat 12X]

Blue, is the one for me

[Desdamaona]
Blue.. blue.. blue.. blue..
