They reaped my heart

Caught my breath

Denied my soul

And stole my life

The rebell died

Inside my brain

To creep along with dressed mankind

Good-Bye my dreams, good-bye

Yeah Iâ€™m back, lost in the real

Raped and thorn

Thrown away

Touched by the hands of humanity

For Godsake

What I am ?

Another white sheep in the herd of grey-faced blame

Good-Bye, my dreams ...

Nowadays itâ€™s cold

Itâ€™s cold and dark inside

Marching with the stream

For glory of the empire

But I will fight

Fight for my life

But somehow IÂ´ll survive

I will fight for my life ...

Good-Bye, my dreams
