"POSSESSION"

My life's prisoned in a grey rose

Ashes to ashes to paradise

Read the last page in my book

I tried to fight

Tried to forget

The years of hunger - the age of fate

I stare into the eyes of God

Jesus' down to my feed

Devil whispers in my ears

Possession

Living in a cage of imagination

No entrance to reality

Lost in my own dream

The mirrors face is just a farce

I stare into the eyes of God
