You are not alone
I will always be with you
Even to the end

You donâ€™t have to work so hard
You can rest easy
You donâ€™t have to prove yourself
Youâ€™re already mine
You donâ€™t have to hide your heart
I already love you
I hold it in mine
So you can rest easy

Do not be afraid
Nothing, nothing in the world
Can come between us now

You donâ€™t have to work so hard
You can rest easy
You donâ€™t have to prove yourself
Youâ€™re already mine
You donâ€™t have to hide your heart
I already love you
I hold it in mine
So you can rest easy

You work so hard to wear yourself down
And youâ€™re running like a rodeo clown
Youâ€™re smiling like youâ€™re scared to death
Youâ€™re out of faith and all out of breath
Youâ€™re so afraid youâ€™ve got nowhere left to go

Well, you are not alone
I will always be with you

You donâ€™t have to work so hard
You can rest easy
You donâ€™t have to prove yourself
Youâ€™re already mine
You donâ€™t have to hide your heart
I already love you
I hold it in mine

You can rest easy
