Swaying room as the music starts
Strangers making the most of the dark
Two by two their bodies become one

I see you through the Smokey air
Can't you feel the weight of my stare
You're so close but still a world away
What I'm dying to say, is that

I'm crazy for you
Touch me once and you'll know it's true
I never wanted anyone like this
It's all brand new, you'll feel it in my kiss
I'm crazy for you

Trying hard to control my heart
I walk over to where you are
Two by two we need no words at all

Slowly now as we begin to move
With every breath I'm deeper into you
Soon we two are standing still in time
but If you read my mind, you'll see

I'm crazy for you
Touch me once and you'll know it's true
I never wanted anyone like this
It's all brand new, you'll feel it in my kiss
you'll feel it in my kiss, because I'm crazy for you

Touch me once and you'll know it's true
I never wanted anyone like this
It's all brand new, you'll feel it in my kiss
I'm crazy for you...

And you know it's true, you know I'm crazy for you
and It's all brand new ,you know I'm crazy for you
And you know it's true
I'm crazy, crazy for you... (wooh..)
I'm crazy for you..
