You are perfect as you are  
Your eyes are the brightest  
As you dance in the slowest  
That motion can become.

To be near your iris eyes  
And underneath the radiant smiles  
Of perkiness that leaves me  
Defenseless as I stare

Refrain:

I might need a little more courage  
I'm just waiting  
For the universe to show me  
\*Got to steal you from the sky

Chorus:

You can be the most regal  
And towering in this room  
I'm still be the luckiest guy  
Here with you.

And you could come  
Through a room  
With your delicate grace  
Take the scented guy  
This embrace.

II.

You are luminescent always

Your heels are the highest  
As you brighten the slightest  
Like a spectacle of light.

(Repeat Refrain and Chorus)

Oh...

Bridge:

There's a fine line  
Between pauses and delays  
In everything we say  
I'll take it everyday, I know I can.

And if the night sky  
Should light the night I see  
I'll make my way beyond the dark  
I'll be fine.

(Repeat Chorus 2x)

And if in case  
The most  
Of color fades away  
I'm still be thankful for you each day.

Oh, oh.

I'm still be thankful for you each day.

Oh, oh.

I'll be fine.
