Kate's a little restless
As she wipes her brow
And for a second, she hesitates to move
It's all to soon

I look inside and feign suspicion
Logic hand in hand with reason
Swoons beneath the truth
Takes a beating

(Woah ohh)
Open up from under me
(Woah ohh)
Sing to me your remedy

Why can't I sever the ties
With the unforgiving sky
The past of all my lies
Vestiges of smoke
Cloud my view of hope
Six feet of concrete
Right beneath my feet
And I am lost again

Kate's a little hopeless
As she looks at me
And for a second, she hesitates to move
It's all too soon

Beneath her facade lies another
Bewilders me further and I am so endlessly drawn
Endlessly drawn to the truth
Takes new meaning
(Woah ohh)
Open up from under me
(Woah ohh)
Sing to me your remedy

Why can't I sever the ties
With the unforgiving sky
The past of all my lies
Vestiges of smoke

Cloud my view of hope
Six feet of concrete
Right beneath my feet
And I am lost again
Lower me
Evasive as these walls may seem
(I'll keep you)
I'll keep you in my dreams

Lower me
Illusive as these sounds that bleed
(I'll keep you)
I'll keep you in my dreams

Lower me
I'll keep you
I'll keep you in my dreams

Lower me
I'll keep you
I'll keep you in my dreams

Down, down, down, down, down
