People who love are light in the middle
Funny enough it's inevitable
Give them some love and light up another
Mine is a bubble that will never be full

Everybody listen
Don't miss understand them
Life is just a fantasy
And we're recording
They're getting it together
In PVC and leather
But they're feeling so much better for the...

People who love are light in the middle
Funny enough it's inevitable
Give them some love and light up another
Mine is a bubble that will never be full

Come into my classroom
It's clear what I'll be teaching
By all means bring your toys in
It's a private meeting

Watch them come together
Fortunately she'll let her
It's just getting so much better for the...

People who love are light in the middle
Funny enough it's inevitable
Give them some love and light up another
Mine is a bubble that will never be full

Free to survive
And let your energy rise
Freedom of choice
Please don't silence my voice
