It's getting dark... too soon... a threatening silence...  
Surrounding me... a wind... comes up from the islands...  
When distance fades to stormy grey  
Washed out from the deep of the ocean  
Here I will stand to face your wrath...  
While all the others are praying

Calm down my heart... don't beat so fast...  
Don't be afraid just once in a lifetime (2x)

No rain can wash away my tears  
No wind can soothe my pain  
You made me doubt, you made me fear  
But now I'm not the same  
You took my wife, my unborn son...  
Torn into the deep of the ocean  
I don't pretend that I love you  
'Cause there is nothing left to loose

And when silence comes back to me  
I find myself feeling lonely  
Standing here on the shores of destiny  
I find myself feeling lonely  
I had a life to give... many dreams to live...  
Don't you know that you're losing so much this time  
Beyond the waves... I will be free  
While all the others are praying

Calm down my heart... don't beat so fast...  
Don't be afraid just once in a lifetime (2x)

No rain can wash away my tears  
No wind can soothe my pain  
You made me doubt, you made me fear  
But now I'm not the same  
You took my wife, my unborn son...  
Torn into the deep of the ocean  
I don't pretend that I love you  
'Cause there is nothing left to loose

The love in you, it does not burn,

There is no lesson you can learn  
And there are sounds you cannot hear,  
And there are feelings you can't feel

Calm down my heart... don't beat so fast...  
Don't be afraid just once in a lifetime

I don't pretend that I love you  
And this time I'm not scared of you
