She's coming over with her high heels on,
Shiny and black thigh high so cool,
I'm getting ready to be so cruel,
To you.

I got the straps and I got the rope,
I got the cuffs and two kinds of lube,
I got the lights turned way down low,
For you.

(Pre-Chorus)

Let me know when you're coming over,
Gonna tell you what to do,
Tied to the table and you're bending over,
You are looking like a dream come true.

(Chorus)

Teacher! Teacher!
I know you,
Ya not teaching me I'm teaching you,
You rock me I rock you
Gonna tell you what to do,
Teacher! teacher!
Woo ah woo hoo hoo!

I text sex to bitch on heat,
Hotmail, hotmail it's me!
The filth can you show it all,
For free.

(Pre-Chorus)

(Chorus)

You know me I know you
You know me I know you
You know me I know you
You're not teaching me I'm teaching you!

(Pre-Chorus)

(Chorus)
