Bet you got it all planned, right  
Bet you never worry, never even feel a fright  
Bet you got it all planned, right  
Never fit to worry, never even feel a fright

Single sleeps alone and I know you don't really mind  
Five years by your side, so I know you really don't mind

But don't you nevah  
Be down  
I said don't evah  
'Cause it's gonna keep him hanging around

Nevah  
Be down  
I said don't evah  
Because it's gonna keep him hanging around

Bet you never think it's right  
Bet you think you have to but it doesn't feel right  
Bet you never think it feels right  
Famous-sounding words make your head feel light

Petals getting picked with the love-yous and the love-  
you-nots  
Five years going by, everyone is staying on their side

But don't you nevah  
Be down  
I said don't evah  
'Cause it's gonna keep him hanging around

Nevah  
Be down  
I said don't evah  
Because it's gonna keep him hanging around

But don't you nevah  
Be down  
I said don't evah  
'Cause it's gonna keep him hanging around

Nevah  
Be down  
I said don't evah  
Because it's gonna keep him hanging around

Five years going by, everyone is staying on their side

Five years going by, everyone is staying on their side

Bet you got it all planned, right  
Bet you never worry, never even feel a fright  
Bet you got it all planned, right  
Never fit to worry, never even feel a fright
