So he fooled me, ooh ooh

This fools crazy foul left up but how
Never do we Spooks allowed got official style
Ming Xia, she be the fifth element
Manipulate the mind shape and get your back ripped

Heart to heart combat eliminate the nonsense
Bend checks, and existence, malice
Who thought that you taught, I read now, but nah
Fist fault from verbal assault, the spy must die

So he fooled me, this time next time I'll know
Thought you knew me but all you really know
Is what I choose to show, yeah

Sweet like thee
(Honey)
Need I speak
(Deadly)
Venomous revenge, so sweet

Sweet like thee
(Honey)
Need I speak
(Deadly)
Venomous revenge, so sweet, yeah

Tried to do me
(Apparently don't know who I be)
Tried to fool me
(Apparently don't know who I be)

Tried to use me
(Apparently don't know who I be)
Tried to screw me
(Apparently don't know)

Maybe not, maybe not, maybe not today
Maybe not, maybe not, maybe not today, hey
Maybe not, maybe maybe not, maybe not today
Maybe not, maybe not today

You should've known that what goes around
Comes right back around again and again and again
But now I know one of life's hard learn lesson
So be ready I'm comin'
(My friend)
I'm

Not so sweet
(Honey)
Show my teeth
(Deadly)
Venomous revenge, so sweet
(Whoa)

Not so sweet
(Honey)
Show my teeth
(Deadly)
Venomous revenge, so sweet
(Oh oh, oh oh)

Tried to do me
(Apparently don't know who I be)
Tried to fool me
(Apparently don't know who I be)

Tried to use me
(Apparently don't know who I be)
Tried to screw me, screw me woah

Oh Mister Tough Guy, jiggy, mackadocious
Pimp of the year, lady slayer don't lie, say it
You simply thought you could deal with Ming Xia
Post her up and play her

Heartbreak game, it works on the average everyday
But she ain't that, so don't pain that picture
Mister, all you know is she wrecks it
You concerned 'bout your car gettin' wrecked

Yet instead, you feel the sharp blow, punch through
your chest
Instantly, your shirt's burgundy
Yeah, you wish she was the type to slash tires now
Don't ya, don't ya

Maybe not today and maybe not tomorrow
So be ready, I'm comin', so be ready, I'm comin'
So be ready, I'm comin', ready I'm comin'
Venomous revenge, venomous revenge, venomous

revenge
(Didn't want it to be this way, but you)

Tried to do me
(Apparently don't know who I be)
Tried to fool me
(Apparently don't know who I be)

Tried to use me
(Apparently don't know who I be)
Tried to screw me
(Apparently don't know)

Tried to do me
(Apparently don't know who I be)
Tried to fool me
(Apparently don't know who I be)

Tried to use me
(Apparently don't know who I be)
Tried to screw me
(Apparently don't know)

Tried to do me
(Apparently don't know who I be)
