Lie on my own
Rise and shine
On my own
I'm just found of my
Don't complain
Down all the love
All inside of my home
I'm just found of my
All the same
Fly on my own
I'm a guy just at home
I'm just found of my
Don't complain
Come on my throne
Just to find ask my soul
I'm just found of my
All the same

...

While i fight
I'm at home
I'm just found of my
Don't complain
I'm tied up by this soul
You just try and let go
I'm just found of my
All the same

Lie on my own
Rise and shine
On my own
I'm just found of my
Don't complain
Down all the love
All inside of my home
I'm just found of my
All the same
Fly on my own
I'm a guy just at home
I'm just found of my
Don't complain
Come on my throne

Just to find ask my soul
I'm just found of my
All the same

...

While i fight
I'm at home
I'm just found of my
Don't complain
I'm tied up by this soul
You just try and let go
I'm just found of my
All the same
