You said I've been waiting outside your door  
Biding my time hoping soon I might be recognized  
Sometimes you leave without even a glance  
Passing me by like I don't set a chance  
Only a smile would make all of my waiting worthwhile

For as long as the world keeps turning  
My fire will keep on burning  
For your love  
For your love

Maybe I'm searching for what I can find  
Maybe your difference and what's in my mind  
Oh, but nevertheless a feeling just can't be denied

For as long as the world keeps turning  
My fire will keep on burning  
For your love  
For your love

I can't sleep at night  
No, I can't eat a bite  
I can't run  
I can't hide  
Without you I might die
