I wrote a million pages
On pyramids in the sun
Of dreams and themes of lovin'
Oh with you a cast of one

I know where I'm goin'
But Lord where do I come from

We traveled on the road
To be where we are now
I found myself beside you
I never will know how

I know where I'm goin'
But Lord where do I come from
I know where I'm goin'
But Lord where do I come from

I got truth in my heart
I need you to make a start
Give me light when it's dark
Send me love in your heart
Send me love, send love
Send me love, send me love

I know where I'm goin'
I know where I'm goin'

The time has come for me
To be the man I am
Without your lovin' feelin'
My life would never stand

Oh so take my simple learnin'
and use for your gain
And never trust the eyes of one
Who causes you to shame

I know where I'm goin'
But Lord where do I come from
I know where I'm goin'

But Lord where do I come from

I know where I'm goin'

I know

I know where I'm goin'

I know....
