Lonely is the night
Now that darkness has fallin'
And the world is callin'
Nothing seems right

Everybody's looking back
As the wind comes whispering by
The're waitin' for the answers then
Like the time they heard a cry
Hang on

I know
Don't ever go
Life's here
Wind called on me

How it took me by surprise
Creeping through the distant skies
Cause night come upon me

Wind tell me what you can
A breeze blew and whispered then
In a voice rich as the sun
'Bout the life - What I came from

Hang on
I knowDon't ever go
Life's here
