### "The Best Parts"

Enough of this injury  
I've been waiting to see the best parts  
They meant so much to me  
I've been waiting my (whole) life to die  
And still haven't seen anything  
I wish someone would throw these convictions as far as  
the eye can see  
But I won't give up just yet  
I've been waiting for light  
But the sun still always sets  
And if all else fails from this  
I'll be the first to hit the bricks  
I'll be broken down, before I'm ever fixed  
I'm taking on everything  
Well I guess I'm not but it feels like the world's on top of  
me.  
I've been waiting my (whole) life to die, and still haven't  
seen anything  
I wish someone would throw these convictions as far as  
the eye can see
