Chorus:

(Freaks!) Everybody got a freek in 'em some with deep

(Freaks!) 'specially these women just put the dieeck in
'em

(They all Freaks!) Get em horny enuff they'll bug out
and flip shit!

(Freaks!) I know chicks that'll suck the blood out your
dick

(King Kirk)

I got this freek that'll suck you off in the movie theater
So good that the cats near her, hear her and wanna
share her

Mascara on my zipper, then twist and flip her

Hit her like a babysitter watchin' a motion picture

Niggas think she's a stripper by her hips and tits

Bitch is so terrific cops don't give her tickets

They all wanna hit it, dyke chicks wanna kiss her

Sip her like li-quer, panhandle this tipper

??release mo' and critter??, but I aint no tricker

I'm the nigga that she blowed and showed me what
they give her

Deviler me food and come to my house nude, rude

While we screwed, be on the phone with a dude

Freak bitch, smellin' like Vic' Secret, peep this!

Wanted an Eclipse sucked the dealer's dick

And he leased it, bitch pussy longer than tape measure

On point like lie detectors, deeper and wetter than
pirate treasures

Chorus (2x)

(Marlon Brando)

If you think im suckin' where I'm fuckin', freek, you
crazy

My only MO with the freeks, hit the cheeks then im
swazy, baby

There's nuthin' finer when Im drillin' your vagina,

Daddy's steamin' from the semen you spit up on the recliner
Girl, listen your bus money's on the dresser better breeze
Cause I'm expectin my main squeeze any minute now
I don't want this shit to hit the fan, what part don't you understand
Get the fuck out!, see that's your problem bitch
I'm not deaf dumb and blind, you's a deuce perp-in a dime
Huh, a waste of time, I've got nuthin but dick for you tricks
Sctin shy knowin damn well you suck like the Knicks
On the real if my girl walk in your ass is grass (grass),
You won't be the first or the last (last)
I heard a door slam, damn you bitch, I'm caught!
It gets realer, when my girl walks in she said, "I'ma kill her!"

Chorus (2x)

(Big Dubez)

While ??Masai?? chase the cat, it's nuthin but the dog
in me
Sporty orgies, topless girls ?recordin? me, they keep
callin me
I'ma end up getting wet, pouring Moet down the freaky
bitch's neck
These hoes be two timin', 24K shinin, in the Lex
They sex drive spent all day climbin
On the strength, only freeks go on a length to know the
pimps
Givin hints roll the tints, down fast, to show the links
Talk about "Psst, what up? nigga what you doin' later?"
Hotels with the cater, you blew, screwed and ate her
but Brando made her
Freaky hoe got it hot, she ??bock-a-bocked?? the cocks
Of the whole Roc-A-Blok, it ain't nuthin but a Thief thing
Stole your virginity, so let me keep the G-string
Damn you ruffed them handcuffs, you got the dumb
Dick in your mouth, I forgot to tell you I was bout to cum
You fuckin freek!

Chorus 2x
