I wanted to be your friend  
I wanted to get to know ya  
I wanted to be your friend  
I wanted to get to know ya  
I wanted, I wanted, wanted to be your friend  
I wanted, I wanted, wanted to be your friend  
No kidding.  
I wanted to hang out some.  
I thought when you danced it looked all right.  
I thought that you talked pretty cool.  
But don't get me wrong I wasn't uptight.  
Intentions they fly out the window when you left  
The window stay open and light before I said  
No kidding.  
Although it was nothing heavy  
There's things that I could have showed ya  
Like how I wanted to be your friend  
I wanted to get to know ya  
I wanted, I wanted, wanted to be your friend  
I wanted, I wanted, wanted to be your friend  
No kidding  
Kidding  
Wanted  
Wanted  
Wanted to  
Wanted to  
Wanted to  
Wanted to  
Wanted to  
Wanted
