whenever your love can find me  
They break through the walls, to find me  
It's breaking the walls to find me

I go out in the world  
i made my case to the world  
I saw the world and to the world  
it asked me back again  
It caused me love, hold me tight

Do Do Da do da . . .

It peels off and ties that bind me  
m.... I don't need a thing to remind me  
That I'm part of the world.  
I saw the light  
I saw the light  
and I felt all creamed all in white  
i felt so permanent being in love  
I saw the light  
i saw the light  
and I felt all creamed all in white  
i felt some permanently love

i saw the light  
i saw the light  
i saw the light  
and i fell all creamed in white  
i feel so permanently loved
